

ACMH LCD «GREEN LIFE 2»

Irpin, street Natana Rybaka 2.
Built in 2017.

📍 G7M2 + 62

BEFORE THE WAR

LCD «Green Life 2» - comfort-class housing in the picturesque neighborhood of Irpen: surrounded by age-old pines, near beautiful lakes.

House for 43 apartments with built-in non-residential premises.

There were 43 families. Among them are many immigrants from Luhansk and Donetsk regions.

Brick construction technology. The facade is insulated with mineral wool, foam.

The yard is arranged according to modern European standards, with a playground, flower beds and parking for cars.

AFTER THE RASHISTS INVASION

As a result of hostilities in the city in March 2022, the roof, facade, windows, doors and adjacent territory were damaged.

The preliminary cost of the works is €39 000
